ICFO

YOUNG ATOM OPTICIANS (YAO) CONFERENCE 2023

June 12, 2023 to June 16, 2023
ICFO Auditorium

The **Young Atom Opticians conference (YAO)** is an annual meeting aimed at young PhD and master students in the field of atomic and molecular physics. Its goal is to provide participants with a platform to learn from and extend their network with peers from around the world.
YAO 2023 conference is arranged by PhD students from ICFO and will take place in Barcelona from **12th to 16th of June 2023**.
Confirmed invited speakers:

Juliette Simonet (Universitat Hamburg)
Francesca Ferlaino (IQOQI, Innsbruck)
Lukas Slodi?ka (Palacky University Olomouc)
Svenja Knappe (University of Colorado Boulder)

ICFO

Daniel Barredo (CINN - CSIC & Institut d'Optique - CNRS)
Darrick Chang (ICFO, Barcelona)
