Power Abuse in Academia - what can we do?

September 21, 2022
16:00 to 17:00
BLR and Online (Zoom)

The high interdependency between supervisor and supervised, combined with the pressure to succeed, make power abuse commonplace in Academia.
i¿½Power Abuse in Academia- what can we do?i¿½ is a 90-minute seminar and facilitated discussion which includes definitions and examples and goes deeper.
It offers insights and encourages discussion on why this is so common and what can be done by early career researchers to drive change in their own communities.
