

ICE-5 Conference

May 28, 2019

Conference, May 28-31 May. Barcelona

28-31 May, 2019
ICE, the conference series on quantum information in Spain, provides a gathering for discussion to researchers working in quantum information science and technologies in Spain, and is also open to any researcher working in the field. The fifth edition will take place in Barcelona on 28-31 May 2019 and will be organized by ICFO. The conference is also supported by the AXA Research Fund through the AXA Chair in Quantum Information Science.

The invited speakers for this edition are:

Ana Asenjo, Columbia University
John Calsamiglia, Universitat Autonoma de Barcelona
Marcos Curty, Universidad de Vigo
Fernando Luis, CSIC
Gabriel Molina Terriza (to be confirmed), Donostia Center for Physics
David Perez-Garcia, Universidad Complutense
Pascale Sennellart, CNRS
Leticia Tarruell, ICFO
Jorg Wrachtrup, University of Stuttgart

There will be space for contributed talks and posters. Important dates are:
Deadline for registration: 10 May
Deadline for abstract submission: 15 March
Notification: 31 March
