ICFO

Postdoctoral Day

June 05, 2025 to June 06, 2025
ICFO & External venue

The **Postdoctoral Day** is an event organized by postdocs for postdocs, designed to bring together colleagues from across ICFO to connect, share experiences, and strengthen ICFO postdoc community.
The day will be **preceded by a career development workshop** aimed at enhancing key skills for your professional journey.
The following day, we'll kick things off with **breakfast in the NEST Hall**, followed by an inspiring talk on **Non-Violent Communication**, delivered by a physicist with extensive experience in the topic. The day will continue with a **social activity** designed to foster interaction and collaboration across ICFO's diverse research areas.?
You are warmly invited to join us for a**lunch at a local chiringuito.**
