

CARLA Camp Barcelona: The Photonics Career Symposium

December 04, 2025

09:00 to 14:00

CosmoCaixa, Barcelona

Within the Quantum Education Summit, ICFO organises the sixth CARLA Camp, the Photonics Career Symposium, which will take place on December 4, 2025, at CosmoCaixa. If you are an undergraduate or master's student, or an early-stage researcher, join us to explore the photonics ecosystem and the opportunities it offers!

In this event, you will learn about the general landscape of photonics, gain valuable insights, and interact with a panel of professionals from diverse career paths.

Additionally, you can attend tech talks on hot topics and trends that may interest you, and hear testimonials from early-stage researchers!

Please register [here](#) by November 16th.
