As part of our PRIDE celebration, we will meet to discuss the novel *1/2 Boulder*, by E  
a Baltasa

. If you're looking for a moving and captivating love story, this book is for you. Bould  
r explores themes of independence, motherhood, desire, and deep connection with honest  
, tenderness, and intensity. It's also a wonderful sapphic novel and a great opportunity  
to celebrate diverse voices and stories during Pride.
