

ICFO COLLOQUIUM SERIES: TBD

ROMAIN QUIDANT

December 16, 2026
10:00 to 11:00
ICFO Auditorium

PROFILE:
Romain Quidant received a PhD in Physics (2002) from the University of Dijon, France. He then joined the newly created ICFO in Barcelona as a postdoctoral researcher. In 2006, he was appointed junior Professor (tenure-track) and group leader of the Plasmon NanoOptics group at ICFO. In 2009, he became tenure Professor both at ICFO and ICREA. After nearly 18 years at ICFO, in June 2020, hejoined the Mechanical and Process Engineering department (D-MAVT) at ETH Zurich. He is recipient of 3 ERC grants and several international and national prizes. Since January 2022, he serves as the Editor-in-chief of ACSPhotonics (American Chemical Society).

ABSTRACT:
TBD

Hosted by: Prof. Dr. Oriol Romero-Isart
