

ICFO Colloquium ROY J. GLAUBER 'Recollections of Los Alamos and the Nuclear Era'

ROY J. GLAUBER

June 18, 2013

Tuesday, June 18, 2013, 12:00. ICFO's Auditorium

ROY J. GLAUBER

Harvard University, Cambridge, UNITED STATES

The Manhattan Project of the wartime years (1941-45) was vast in scope, but more speculative than is generally realized. Its achievements and those that followed weighed heavily on the history of the postwar years. We shall recall some of the events and personalities of those days.

Tuesday, June 18, 2013, 12:00. ICFO's Auditorium

Hosted by Prof. Maciej Lewenstein
