

ICFOnians for Women in Science Month - Panel discussion on starting a research group: the perspective of women group leaders

March 14, 2023

15:30 to 16:30

ICFO Auditorium

We welcome you to attend this interesting Panel Discussion with the subject "**Starting a research group: the perspective of women group leaders**"

Chair: Prof Maria Garcia-Paraj

Panelists: Professors at ICFO Nicoletta Liguori, Georgia Papadakis, and Leticia Tarruell

After the Pannel Discussion, all are invited for **coffee and networking in the Nest Hall**

** This event will welcome participants in the **Be ICFOnian for a Day** program (FOCUS O

THE FUTURE) .This is the second event (of 4) of this program aimed at women undergraduate and Master's students in STEM.

This program will help women to learn more about life in a frontier research institute
