ABSTACT:

An important milestone of the PhD journey is the thesis proposal, which normally takes place before the end of the first year of the PhD. Each candidates presents his/her thesis proposal for a panel evaluation, and will receive valuable feedback from which he/she may continue to develop a thesis project

ICFOnians are invited to attend the thesis proposal of Julita, showing support for he candidature, and learning more about the research that is being conducted by colleagues a our institute.
