

STUDENT CONFERENCE IN OPTICS AND PHOTONICS 2024

October 02, 2024 to October 04, 2024

Auditorium

Join us at SCOP24: the Student Conference in Optics and Photonics, at ICFO, this October! Present a poster or a talk about your research to a vibrant community of peers, attend insightful talks by young group leaders and researchers, and participate in workshops on outreach, mental health, D&I, AI tools, and more.

SCOP24 will take place at ICFO in Barcelona from October 2nd to 4th, 2024. This event is organized by ICONS, the Student Chapter at ICFO

Confirmed speakers:

[Angel Rubio](#) (CFEL, Max Planck Institute for the Structure and Dynamics of Matter)

[Nicoletta Liguori](#) (ICFO)

[Carlos Abellan](#) (Quside)

[Fernando Guimaraes](#) (Instituto de Telecomunicacoes, University of Aveiro)

[Teri W. Odom](#) (Northwestern University)

[Maja Colautti](#) (CNR-INO, LENS)

[Alba Cervera-Lierta](#) (BSC-CNS)
