

ICFO-IMPRS Joint Workshop

April 09, 2025 to April 11, 2025

Max Planck Institute of Quantum Optics, Munich

This **3-day workshop** is designed to bring together PhD students from **ICFO** and **IMPRS-QST**, as well as students from associated or related institutions, fostering a valuable exchange of ideas, networking, and scientific discussions. The program will include invited talks, poster sessions, PhD presentations, and an industry session offering career insights. We also have a series of social activities to help foster connections in a relaxed setting.

Lecturers from ICFO and IMPRS include:

Barbara Kraus, Technical University of Munich

Tomasz Smolenski, University of Basel

Johannes Knolle, Technical University of Munich

Ulrich Schollwock, Ludwig-Maximilians-Universität München

Monika Aidelsburger, Max Planck Institute of Quantum Optics

Dr. Jad Halimeh, Max Planck Institute of Quantum Optics

Valerio Pruneri, ICFO

Hugues de Riedmatten, ICFO

Darrick Chang, ICFO

Check out the website for further details [here](#).

ICFO and IMPRS students who would like to attend should [REGISTER HERE](#) by **December 15, 2024**

Please note that if the number of registrations exceeds the available places, priority will be given to PhD students in relevant subjects related to the workshop topics.

If you require any additional information, please do not hesitate to contact us at training@icfo.eu

Organizing Committee:

ICFO: Teresa Karanikolaou, Panagiotis Tselifis, Harini Raghavan, Giovanna Petrillo, Robert Sewell.

IMPRS: Bennet Windt, Amine Ben-Mhenni, Johannes Arceri, Sonya Gyzl.
