

NANOLIGHT: Symposium in honour of the landmark birthday of Niek van Hulst

October 20, 2017

October 20, 2017, ICFO Auditorium

October 20, 2017, ICFO Auditorium

To celebrate the special birthday of ICREA Prof at ICFO Niek van Hulst, some friends and colleagues are preparing a symposium in his honour. The list of invited speakers includes prominent scientists working in the field of Nanophotonics, as well as some of Niek's friends students, and collaborators

This one day Scientific Symposium on "Nanolight" will be held at ICFO on October 20th 2017.
