EFFECTIVE ORAL PRESENTATIONS

JEAN-LUC DOUMONT

May 05, 2022
09:30 to 13:30
BLR

Strong presentation skills are a key to success for researchers, yet many speakers are at a loss to tackle the task. Systematic as they usually are in their work, they go at it intuitively or haphazardly, with much good will but seldom with an effective outcome. This workshop proposes a systematic way to prepare and deliver an oral presentation: it covers structure, slides, and delivery, as well as stage fright.
