After a successful edition in 2019, ICONS and KTT will run another i¿½Intervi
w Preparationi¿½ worskshop. The workshop will take place at **3pm this Friday (29th April) in the Blue Lecture Room**.

The in-person session (open to all) will include a presentation on **i¿½How to Prepare for n Interviewi¿½ by** Frank Wolfs - a senior Talent Acquisition Director with experience in recruiting for a large number of photonics-based companies and research centres.
This will be followed by a **roundtable discussion** where you will have the opportunity to ask questions to our panel on how to maximise your chances of success in interviews for both academic and industrial positions.
In addition to Frank Wolfs, the panel (all of whom have extensive experience in interviewing candidates for jobs) will include:

Dr. Tommaso Caneva - Head of Data, Glovo
Dr. Laura Rodriguez - Scientific Manager, Iris Technologies
Prof. Georgia Papadakis - Group Leader, ICFO
Prof. Rob Sewell - Head of Academic Affairs, ICFO

If you're thinking about the next stage of your career, or would like to pick up some helpful tips for your next interview, then come along!
