

Nous ICFOnians

Vint-i-un ICFOnians s'han unit als diferents grups de recerca, unitats i instal·lacions de l'ICFO durant el mes de desembre

January 13, 2025

En els anys des de la fundació de l'ICFO el 2002, l'institut ha evolucionat continuament per abordar una àmplia gamma de reptes apassionants. Això ha estat possible gràcies a les contribucions d'un grup divers de dones i homes que han pujat a bord per afegir les seves habilitats úniques als nous i actuals projectes de l'ICFO.

Al desembre, vint-i-un ICFOnians es van incorporar o van prendre una nova posició a l'institut. Estem desitjant formar equip amb vosaltres.
