

IONS Meeting in Naples

ICFO-OSA Student Chapter
will take part in the fourth International OSA Networks
of Students (IONS) meeting.

June 19, 2008

Optics students from all over the world will meet for three days in Naples and exchange their experiences from June 26 to 28. The event is the fourth edition of the International OSA Network of Students (IONS) meeting, an initiative that was launched by the ICFO-OSA Student Chapter at a gathering in Barcelona in January 2007.

Representatives of the OSA Student Chapters from Barcelona, Southampton, Naples, Munich and Ancona will attend the meeting to be broadcasted live through the web. Concurrently with the broadcast, a web conference will be held during the meeting with the participation of scientists and OSA representatives. The meeting will take place at the Physical Sciences Department of the Università di Napoli Federico II with sessions from 9:30 am to 6:00 pm

every day.
