Highly Cited Researchers

Four ICFO Group Leaders included in Clarivate Analytics 2021 compilation of Highly Cited Researchers

November 16, 2021

Clarivate Web of Science has released its annual list of Highly Cited Researchers, including four ICFO Group Leaders:

*** Prof Dr Pelayo Garcia de Arquer- Cross Field Category**
*** ICREA Prof Dr Javier Garcia de Abajo- Cross Field Category**
*** ICREA Prof Dr Frank Koppens- Cross Field Category**
*** ICREA Prof Dr Maciej Lewenstien- Physics Category**

Garcia de Arquer, Garcia de Abajo, Koppens and Lewenstein have been named Highly Cited Researchers, having demonstrated significant and broad influence as reflected in their publication of multiple highly cited papers over the last decade. These highly cited papers

rank in the top 1% of citations for a field or fields and publication year in journals indexed in the Web of Science.

To determine this 2021 list of influential researchers, Clarivate surveyed papers published and cited during 2010 to 2020 that at the end of 2020 ranked in the top 1% by citations for their Essential Science Indicators (ESI). Researchers are selected for their exceptional influence and performance in one of more of the 21 fields used in the ESI. T

Congratulations Pelayo, Javier, Frank and Maciej!
