

## New Joint Appointment with ACS Photonics

ICREA Prof. at ICFO Romain Quidant becomes Associate Editor of the journal.

September 04, 2014

---

ICFO proudly announces that, as of September 1st, ICREA Prof. at ICFO Romain Quidant has been appointed as one of the associate editors for the journal **ACS Photonics**, a peer-reviewed journal published by the American Chemical Society. Until now, Dr. Quidant had carried out tasks as member of the Editorial Advisory Board, together with fifteen other renowned scientists from all over the world.

Founded in 1876, the ACS is the largest association that currently has over 161,000 members in fields of chemistry, chemical engineering, and related fields. As one of the 38 peer-reviewed journals, ACS Photonics is a monthly, scientific peer-reviewed journal that publishes original research articles, letters, reviews and perspectives in fields such as molecular and nano-photonics, solid state inorganic materials for optoelectronics, polymer

and organic optoelectronic materials, plasmonics and optical metamaterials, photonic crystals, nonlinear optics and materials, quantum optics and single-photon processes, photonics for energy materials, biophotonics, modeling and simulation of photonic processes, among others.

Congratulations Romain on this achievement!
