

New ICONS Board Members

Jordi Morales, Kavitha Kalavoor, Vikas Remish and Roland Terborg elected as the 2015-2016 officers of the ICFO Organization and Network of Students

August 25, 2015

ICONS, the ICFO Organization and Network of Students, annually elects a new board of officers. The new board members for the 2015-2016 term are Jordi Morales, President; [Kavitha Kalavoor](#), Vice-President; Vikas Remesh, Secretary; and [Roland Terborg](#), Treasurer.

ICONS promotes long term educational activities for students and helps to improve their career opportunities by drawing them closer to the photonics community. Not only does the organization aim to build and support the student experience within ICFO, it also ties ICFO Students to a larger international group of young scientists working to advance the understanding and science of light.
